**BMS KEYS Project 1989-1998**
**Edited by Jack Marriott**
**Synopsis of Contents**

**Keys to:**
- *Amanita and Limacella* KEYS 12 August 1998
- *Clavaria* KEYS 4 Autumn 1990
- *Clavariadelphus species* KEYS 9 Spring 1993
- *Clavarioid Fungi-*Clavulinopsis* KEYS 2 Autumn 1989
- *Clavarioid Fungi-*Clavulinopsis KEYS 2 Autumn 1989
- *Collybia* KEYS 12 August 1998
- The *Collybia dryophila group* KEYS 1 March 1989
- Supplement to “*Keys to Collybia Dryophila Group*” KEYS 3 Spring 1990
- *Galerina species* KEYS 12 August 1998
- *Lactarius* KEYS 11 April 1997
- *Lactarius* synoptic key, New Key August 2006
- Synoptic keys to British species of *Lactarius* Summer 2006
- *Naucoria* species of damp ground KEYS 8 Autumn 1992
- *Naucoria amarescens* KEYS 9 Spring 1993
- *Polypores* KEYS 3 Spring 1990
- *Ramaria* KEYS 4 Autumn 1990
- *Ramariopsis species* KEYS 9 Spring 1993
- Some problem *Tricholomas* KEYS 7 Spring 1992
- *Tricholoma albobrunneum* KEYS 7 Spring 1992
- *Typhula* and other species KEYS 6 Autumn 1991

**Laminated Quick KEYS**
- *Amanita and Limacella* see KEYS 12 Quick Key
- *Collybia* see KEYS 12 Quick Key
- *Hygrocybe* Quick Key

**Fungi on burnt ground**
- Introduction and provisional Key to British species of *Tephrocybe* KEYS 6 Autumn 1991
- Fungi on burnt ground KEYS 8 Autumn 1992
- Pyrophilous or carbonicolous fungi (on burnt ground, charcoal, charred vegetation or steam-sterilised soil):

**Lists**
- List of keys for agarics with medium brown spores KEYS 1 March 1989
- List of Keys for agarics with pink spores KEYS 3 Spring 1990
- A list of British Aphyllophoroid Fungi KEYS 5 Spring 1991
- A preliminary list of British Heterobasidiomycetes KEYS 3 Spring 1990
- British Heterobasidiomycetes: KEYS 6 Autumn 1991
- Additions, corrections and further notes
- Alphabetical list of British Myxomycetes species KEYS 10 June 1995

**Various related articles**
- The etymology of British Fungus names – *Lactarius* and *Russula* KEYS 9 Spring 1993
- Comments on the Boletes in ‘Fungi of Switzerland’ Vol 3 KEYS 8 Autumn 1992
- Notes on Volume 3 of ‘Fungi of Switzerland’ KEYS 9 Spring 1993
- Identifying woods in the field KEYS 7 Spring 1992
- spore length distributions KEYS 7 Spring 1992
KEYS 1  March 1989
Editorial
A note from Roy Watling
A note from Gordon Dickson
List of keys for agarics with medium brown spores: A W Brand
Keys to the species in the Collybia dryophila group: J V R Marriott

KEYS 2  Autumn 1989
