

BMS Recording Network News

February 2015 (issue 2)

<p>To: BMS Recording Network Contacts cc: BMS Field Mycology & Conservation Committee members From: David Harries, BMS Recording Network Coordinator</p>

Please circulate the contents of this note within your respective groups

1. Mycology books

Les Hughes of the Shropshire Fungus Group has contacted me to advise that his colleague, Roy Mantle, the Shropshire County Recorder, is seriously ill, and has decided to dispose of his book collection.

Les advises that the list includes a number of volumes which may attract high prices, whilst others will have no resale value. He indicates that Roy is keen that the books should find good homes, rather than try to get top prices, so any reasonable offer will, he is sure sure, be accepted.

If you are interested in any of the volumes listed, please contact Les with your offer at:

l.hughes@which.net

Les will handle all arrangements regarding the books, but will be away until mid-March, so there will be a short delay in responding to enquiries.

Best regards.....David
