

Create a Fungal Factsheet

Categories for Entries

KS3 (11-13 years), KS4 (14-16 years), KS5 (17-19 years) and Mature Entries (19+years)

Prizes for Entries

In each Category the following prize monies will be allocated: 1ST £100, 2ND £50 & 3RD £25.

AIM OF THE COMPETITION

To develop an appreciation of the diverse information available on fungi.

We want you to design an A4 information sheet suitable for publication and sharing with the public that contains concise and interesting fungal facts. The sheet should be colourful and contain clear images related to the facts (When including images make sure that they are free to use and include photo credits where relevant). Your design should be eye-catching, and font should be legible. Make sure that you use your own words as plagiarism will be penalised.

The winning entries and the top runners up will be published on the British Mycological Society's & UK Fungus Day websites as well as associated social media.

HOW TO ENTER:

Email your entries in MS word/PowerPoint/publisher format to ukfungusday@britmycolsoc.info with the heading 'UKFD18 competition'

Closing Date for entries: 6th October 2018 (winners will be notified by 5th November 2018)

Include the following information with your entries:

- Name (and teacher's name if a student)
- E-mail
- Name, address and telephone number of School (if entering the KS3-5 Categories)
- Name, home address and telephone number (if entering the mature Categories)
- Category (KS3/KS4/KS5/Mature)

RULES:

- Entries should be submitted on email as MS word/PowerPoint/publisher documents.
- Entries may be created by individuals or by small groups (up to 4 persons)
- Judging will take into account originality, presentation and effectiveness in communicating with a wide audience.
