Total journal price: £...

GIFT AID (FOR UK TAX-PAYERS ONLY) Gift Aid is a way of donating to charities through the tax system. It allows charities to reclaim the basic rate of tax paid on donations, including membership subscriptions. It is estimated that this makes the donation worth an extra 28% to the charity. **IF YOU ARE A UK TAXPAYER** and wish the Society to benefit from Gift Aid please complete the statement: I wish the British Mycological Society (reg. charity no. 276503) to treat all subscriptions and donations made by me and all subsequent payments I make from the date of this declaration until I notify the Society otherwise, as Gift Aid donations.
